

Hopefield

ENROL NOW

The EVE Project

A group program for women seeking healing after trauma and/or abuse.

Every woman deserves dignity, safety, and purpose. With the guidance of qualified therapists and the support of a caring community, you'll find strength to rebuild and move toward a hopeful future.

The strength, warmth, kindness and wisdom shared during the program were exactly what I needed to start afresh. I am truly grateful.

The EVE Project Participant

What Makes The EVE Project unique?
